JUST TAKE A LOOK AT WHAT'S ON OFFER

A charming period semi-detached home that has been thoughtfully updated throughout, while still retaining a number of its original character features. The accommodation is deceptively spacious, offering a generous living room, a dedicated home office, and a truly stunning extended kitchen.

Upstairs, there are three well-proportioned bedrooms and a stylish modern shower room. Externally, the property benefits from ample off-road parking to the front and a large rear garden, enhanced by a variety of standout additions including a detached garden room/studio (ideal as a home office or salon) and a substantial timber cabin.

Come and see it for yourself, you won't be disappointed.

The property sits proudly on an extra-wide plot, immediately setting it apart. Double farm gates open onto a generous driveway with a stone finish, offering ample off-road parking. There is gated access to the rear garden and a pathway leading to the front entrance. The exterior retains classic features, including timber panelling and a rendered first floor.

The Accommodation

Step inside and you're welcomed by an impressive hallway that sets the tone for what's to come. Finished with a tiled floor, half-height wood panelling, and solid wood doors leading to the principal rooms, the space is both stylish and inviting. Clever use of space beneath the stairs provides a practical area for laundry appliances and a convenient ground floor WC.

The lounge is positioned to the front of the property, a beautifully proportioned reception room featuring a square bay window with fitted shutters. The décor is contemporary yet warm, creating the perfect space to relax.

With more people working from home than ever, you will find a dedicated office space which overlooks the rear garden.

The Standout Feature - Quite simply stunning.

The extended kitchen is the heart of the home, offering a stylish range of light grey units complemented by quartz worktops, a Belfast sink, and a central breakfast island. There is space for a range cooker with a characterful timber beam above, along with integrated appliances including two fridges, a wine fridge, and a dishwasher.
